

Life Source International School

Date: November 1, 2026

Issue: Volume 1, Issue 1

★ Welcome to Our November Newsletter!

Dear Parents, Guardians, and Scholars,

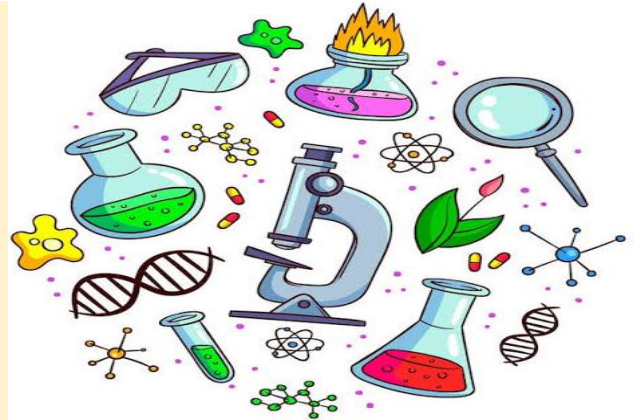

Welcome to the maiden edition of our Monthly School Newsletter! As we step into November, we are excited to share the dynamic learning, creative projects, and memorable events lined up across all departments at Life Source International School.

Our mission remains focused on academic excellence, hands-on learning, and holistic student development. Read on to discover what our scholars will be exploring this month!

Department & Subject Highlights for November

Here is a preview of the rich curriculum activities planned across our departments this month:

Sciences & Agriculture

- **Biology:** There will be biology experiments, investigations, and projects on Cell Biology & Transport, Biochemistry & Nutrition, Ecology & Ecosystems, Human Anatomy & Movement, Microbiology & Pathology
- **Physics:** Hands-on investigations and practical physics concepts in motion, energy, and forces.
- **Chemistry:** Practical laboratory experiments focusing on chemical reactions and real-world scientific applications.
- **Agricultural Science:** Preparation of a small portion of the school farm for planting carrots, watermelon, cucumber, and other crops. Watering of crops and control of weeds by handpicking.

Technology, Arts & Humanities

- **Computing: Special Spotlight:** Launching introductory **Programming & Code Logic!** Scholars will build hands-on problem-solving and algorithmic skills through interactive coding projects alongside Cambridge ICT practical work.

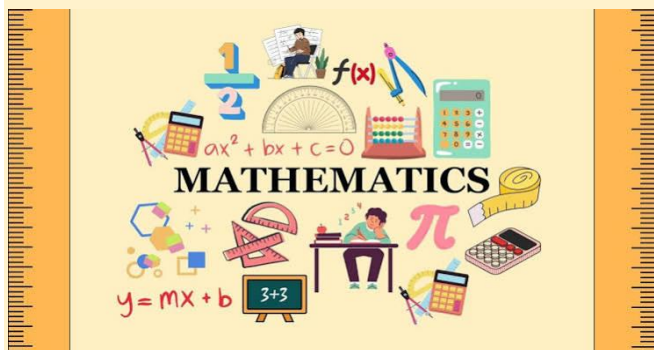

- **Art & Design: Special Spotlight:** Hands-on visual arts exploration! Scholars will work on interactive creative projects including **color theory, texture mapping, and 3D paper crafts**, developing spatial awareness and artistic expression.
- **Global Perspectives:** Collaborative research projects exploring real-world issues, critical thinking, and international awareness.

📖 Languages & Social Studies

- **English:** Creative writing workshops, literary analysis, and communication drills.
- **French:** Interclass French quiz competition and drama. Téléphone cassé (Broken telephone - whisper a French word or sentence from the first person and the last person finally says what they heard). Tour guide project. Scholars will be tour guides and take us around the school.
- **History:** Completion of chapter 1 with a collaborative project before exploring the League of Nations and its success in maintaining world peace.

📐 Mathematics

- **Mathematics:** Problem-solving workshops, practical mathematical modeling, and core skill reinforcement

across all levels. There will also be projects on quadrilaterals and Polygram.

Upcoming School Excursion: Giraffe Safari Adventure!

We are thrilled to announce our upcoming school trip to the **Giraffe Safari**! This educational and recreational trip will give scholars a wonderful opportunity to connect with nature, observe wildlife, and build strong bonds with their peers.

- **Date:** Friday, November 27, 2026

- **Cost:** GHS 1,000 per scholar
- **Package Includes:**
 - Safari tour & guided wildlife viewing
 - Delicious buffet lunch
 - Organized interactive games & team-building activities
 - Round-trip transportation

Payment details will be distributed shortly. Please ensure payments are finalized by 20th November 2026 to secure your child's spot!

Long-Range Expedition Preview: Mole National Park!

Upcoming Excursion Alert — November 2027

We are excited to announce an upcoming flagship educational safari to **Mole National Park**, Ghana's largest wildlife refuge! Scholars will have the opportunity to experience savannah wildlife up close—including African elephants, baboons, antelopes, and diverse bird species—while learning about environmental conservation and biodiversity.

- **Target Window:** November 2027
- **Destination:** Mole National Park (Savannah Region)
- **Package Details & Final Pricing:** *To be communicated in due course.*

We are announcing this early to allow parents ample time to plan ahead for this landmark excursion!

Upcoming School Exchange program in the USA

Parents are beseeched to prepare passports and all other documents needed to travel for their scholars because the school is looking forward to a trip in the **United States of America** for an **exchange program** in the year 2028.

✦ Important Parent Reminders & School Support

Scholar Essentials Reminder

Dear Parents and Guardians, please ensure your child comes fully prepared for the month ahead. Kindly verify that your scholar has all necessary:

- **Academic Books & Stationery:** Exercise books, notebooks, graph books, mathematical sets, calculators, white board markers to use on their minibboards and other writing materials.
- **Arts and Design Essentials:** Paper Glue, Poster colors, Color pencils or markers, paper tapes etc.
- **Personal Toiletries & Essentials:** Restocking key items

- a. Tissue
- b. Pads
- c. hand sanitizers
- d. personal hygiene items
- e. washing soaps
- f. small black polythene to dispose used pads
- g. Daily boarding essentials.

- **Health:** First aid kits and any medications your ward needs. Eg; medicine for allergies, eyes, period etc.)
- Additional snacks to last for two (2) months.
- Scholars are directed to bring sunglasses to reduce the amount of rays from the computer when doing practicals. NOTE: These sunglasses will be kept in the office and worn only during the practical sessions in the computing lab.
- Scholars are directed to bring lab coats and gloves to use during science practical sessions.

Having these supplies ready helps ensure smooth daily routines and uninterrupted learning for all scholars!

*****Most importantly, kindly talk to your wards concerning water conservation.**

Partner with Us: Voluntary School Donations

At Life Source International School, we thrive on community support! We warmly encourage parents who wish to contribute or donate items to the school to reach out to the administration.

Whether it is extra classroom supplies, storybooks, games, art materials, or general essentials, your generous contributions go a long way in enriching our scholars' educational and daily living environment.

The following items would be of great use to the school

1. Whiteboard markers for students (thin ones)
2. A box of spaghetti noodles
3. Donation for our scholarship student to attend our trips

If you would like to donate, please contact the school administration.

Confidence To Succeed

1 Key Dates to Remember

- **Nov 1:** Launch of the November Monthly Newsletter
- **Oct 26:** Midsem exam start date
- **Oct 28:** Midsem exam end date
- **Oct 29:** Pick-up Day for Midsem Break
- **Nov 4:** Drop-off Day for Midsem Break
- **Nov 27:** School Excursion to Giraffe Safari
- **Dec 7:** End of Semester assessment begins
- **Dec 11:** End of Semester assessment ends
- **Dec 18:** Student led Teacher-parent meeting
- **Dec 18, 2026 – Jan 10, 2027:** Vacation break
- **2027:** A trip to Mole National Park
- **2028:** Exchange program to the USA

Thank you for your continuous support and partnership in nurturing our leaders of tomorrow!
